

Client: Microsoft

Need

Senior resource to fill an executive assistant position supporting a GM and team including schedule and worldwide travel management.

Solution

Recruit, screen, and hire top resource to fill open role.

Budget

\$13,000/month

Duration

Microsoft fiscal year (12 months)

Goal

Provide a high level resource to drive value to the department without the client needing to open headcount.

Result

Successfully supported Microsoft executives, filled open position and continue to drive value for the department.

Microsoft did not have internal headcount available but needed a professional resource to help their executive team and support the overall business. They were previously unsuccessful utilizing other vendors to fill this need.

Through our unique sourcing strategies and top benefits package, CSG was able to quickly deliver highly qualified candidates to Microsoft for review and interview. By quickly filling the need, CSG is able to provide an increased level of value to our clients.
